

Amber Alert Photo ID - Fingerprint Card

The Amber Alert system has been established to find missing children through the broadcast of the child's photograph and description on television and radio as quickly as possible. A current photo and detailed information is an essential part of the process of locating the child.

- Complete front side and top portion of back side of this card with current and accurate information.
- Many local police or sheriff's departments will help you fingerprint your child. Be sure to call in advance to arrange an appointment. Do not call 911.
- Store completed card in safe location with other important documents.
- For more information about how to keep your child safe or to learn more about the Amber Alert system, visit www.missingkids.com.
